At FOLD we provide homes for the over 55's which have been designed to be convenient and easy to maintain. All tenants have their own front door giving privacy and independence.

We have a range of social events including the weekly lunch club and coffee mornings which are held in the communal lounge. Our schemes for the over 55's also offer well maintained garden areas, laundry facilities and guest room for visitors.

Properties for the
Over 55's

County
Londonderry

At FOLD we provide unfurnished apartments or bungalows specifically designed for the over 55's.

Our housing promotes quality of life and independence.

Each of our schemes have a Scheme Coordinator who's primary duty is to provide person centred housing support.

Each apartment is connected to our emergency 24 hour TeleCare call centre. If help is required an alert can easily be raised to either the Scheme Coordinator or Fold's TeleCare Call Advisors who will provide help and assistance.

Residents are encouraged to participate in a range of social activities within the scheme and also in the wider community.
